Preamble

We, the undergraduate students of Rutgers New Brunswick/Piscataway, as an integral component of the University community, hereby establish through this Constitution a federated student government to ensure the vitality of student participation in the governance of Rutgers, The State University of New Jersey. To provide campus-wide advocacy on behalf of student concerns; to secure for students an active role in deciding official policies and priorities; to effectively disburse student activity fees; and to provide a forum for the open expression of student ideas and opinions, we establish the Rutgers University Student Assembly (hereafter referred to as the “Assembly”).
